

Horizon Plaza with a new agent

Warsaw, 4 December 2018 – Cushman & Wakefield, a global real estate services firm, has been appointed an exclusive agent for leasing office space at Horizon Plaza in the Mokotów district in Warsaw.

Horizon Plaza is an office complex at 39A Domaniewska Street in Warsaw's Mokotów district. It offers 35,000 sq m of leasable space with a typical floorplate of 2,500 sq m. The building features a two-level underground car park, a bicycle parking facility and showers for cyclists. Its nearby amenities include a shopping centre, a university, restaurants, canteens, hotels, a cosmetic surgery clinic, grocery stores and an ATM. The office building also boasts an excellent location with easy access to a well-developed transport network, bike paths, the metro and Fast Municipal Railway systems.

“Due to low office supply in Warsaw, we recommend Mokotów-Służewiec to companies seeking to relocate. It is a very interesting location with many amenities available to tenants. The district is becoming an increasingly important destination thanks to many infrastructure improvements currently underway,” says **Dawid Wątorski, Associate, Office Agency, Cushman & Wakefield.**

“Horizon Plaza is a top-class office complex. We hope that tenants will appreciate both its prime location and the advantages of its uniquely functional space providing a comfortable working environment. Horizon Plaza is our second project that we will be exclusively commercializing for Union Investment,” adds **Marcin Górski, Senior Negotiator, Office Agency, Cushman & Wakefield.**

The owner of Horizon Plaza is a real estate fund managed by Union Investment.
