

CTO NINJA WANTED

We are an independent media company listed on the Warsaw Stock Exchange. For years, we have been defining the media sector, breaking stereotypes, and introducing innovations. In our media, we respect different points of view, striving to separate facts from opinions.

CHIEF TECHNOLOGY OFFICER

We are looking for a Chief Technology Officer who will provide solid technical leadership for a project that will shake up the media sector and accelerate its technological development. Strategic thinking and strong entrepreneurship are crucial in this role.

If we are looking for you, we expect you to be well-versed in current technology trends and familiar with various business concepts.

Join us and lead our IT team: career@mpg.pl
