

Warsaw, April 16th, 2021

"Little Mouse's Encyclopedia", on Nintendo Switch, Xbox One and Xbox Series S | X
available from April 23, 2021. Pre-sale has just started.

(press release update, March 17th, 2021)

After the success of the great game „[Under Leaves](#)“, Circus Atos and RedDeerGames (a portfolio company of PMPG S.A.) joined forces once again to publish a hand-illustrated, interactive encyclopedia of plants and animals, „[Little Mouse's Encyclopedia](#)“, which premieres on Nintendo Switch, Xbox One and Xbox Series S|X on **April 23rd, 2021**

THE PRE-ORDER HAS STARTED!

On this occasion, RedDeerGames has prepared attractive discounts:

PLATFORM	PREMIERE	PRE-ORDER	SHOP	DISCOUNT FOR START
NINTENDO SWITCH	2021.04.23	2021.04.16	"Little Mouse's Encyclopedia" - Nintendo eShop	35%
XBOXONE XBOX SERIES X S	2021.04.23	2021.04.16	"Little Mouse's Encyclopedia" - Microsoft Store	20%

The creators have prepared an interesting journey for their fans combined with educational elements, allowing users of Xbox One, Xbox Series X | S, and Nintendo Switch to discover the wonderful world of nature with over 160 species of plants and animals. The plot of the game is perfect for born explorers. While wandering around the world, hearing relaxing music with nature's sounds in the background, the player finds all the animals and plants himself. Using a magnifying glass he can reveal information sheets with interesting facts and drawings about them.

THE MOST IMPORTANT GAME FEATURES:

- one hundred and sixty species of animals and plants,
- four different habitats,
- calm music with the sounds of nature,
- relaxing gameplay,
- graphic style inspired by classic fairy tales,
- intuitive control,
- combination of fun and education,
- available in 18 languages , including English, Japanese, German, Spanish, and French.

REDDEERGAMES

RedDeerGames (RDG) is an independent development studio, present on the gaming market only from the fourth quarter of 2018. The company is a producer and publisher of low-budget and high-margin proprietary games and titles from other producers sold around the world in the digital distribution model via dedicated platforms, in particular STEAM, Nintendo eShop, and Microsoft Store, which are the largest distributors of games and applications in the world.

Combining the competencies of a team consisting of passionate designers, artists, musicians, programmers, and producers, RDG creates fun and engaging casual games. From September 2019, the company released several interesting game titles, including noticed during Poznań Game Arena 2019 and awarded for design „[Cyber Protocol](#)”. The studio's portfolio also includes „[Nirvana Pilot Yume](#)”, „[OMG Police](#)”, „[Clumsy Rush](#)”, „[Art Sqool](#)”, „[Brawl Chess Gambit](#)”, „[Clumsy Rush X Astro Bears Spinoff](#)” and „[Under Leaves](#)” whose total sales on gaming platforms have so far exceeded 200,000 units. Portfolio of all RedDeerGames games available [HERE](#).

CIRCUS ATOS

Circus Atos is a small, independent game studio based in Prague. They passionately create authentic and imaginative games such as “Ahoorej”, “Under Leaves,” or “Little Mouse’s Encyclopedia”.

PMPG POLSKIE MEDIA S.A.

The holding company listed on the Warsaw Stock Exchange, investing in the media sector. The Group includes, among others: Agencja Wydawniczo-Reklamowa Wprost, publisher of the weekly „wprost.pl” and the company Orle Pióro, publisher of the weekly "Do Rzeczy" and the magazine "Historia Do Rzeczy".

PMPG Polskie Media S.A. is strongly involved in the process of digital transformation. In cooperation with international partners Quadtalent Europe Limited (a subsidiary of Quadtalent Technology) and North Summit Capital GP Limited, it intends to accelerate the digital transformation of the Capital Group, as well as create innovative business models and technology platforms based on artificial intelligence, the effect of which is to build a unique and sustainable competitive advantage in Europe.
